

Bridgewater Hebron Village District
Commissioners Meeting
1-22-14

Present: Terry Murphy, Derry Riddle, Bill White, Treasurer Hank Woolner

The Commissioners reviewed the minutes of the previous meeting. Derry moved to accept the minutes as corrected. Terry seconded the motion. Vote in favor

The Commissioners reviewed a preliminary budget that Hank had prepared. After the review, Derry suggested that a list be generated with a break down of costs for the budget. Terry said he would work on getting the quotes for items such as the intercom system, bulletin boards, etc. Terry stated that a credit of \$2500.00 was given back for extra cost to BHVD that shouldn't have occurred for the relays not supplied

A routine winter inspection was suggested for the new greenhouse. Terry would speak to the day time custodian for that to be done.

Terry stated that he had spoken to BPS. BPS was still speaking with IKO about the warranty for the shingles. The Commissioners discussed what type of shingle would replace the existing ones. More research is needed before a decision is made.

Derry discussed the open house for the greenhouse. She would check with the school and let everyone know what a good time for it to be held is.

Derry moved to adjourn the meeting at 11:50am. Bill seconded the motion.
Vote in favor.
