Zoning Board of Appeals

Present: Steve Williams, Wayne Thompson, Gerard Godville and Janet Woolner

Also Present: John and Lois Brennen

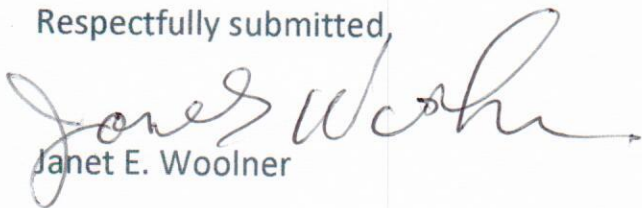

Steve called the meeting to order at 7:35 pm.

The Brennen's requested to close in an existing 20 x 20 garage for a bedroom and build another garage.

After much discussion the Board denied the request because this would be an adjustment to a previous ZBA change made.

Meeting adjourned at 8:42 pm.

Respectfully submitted,

Janet E. Woolner
